## ADJUDICATOR'S REMARKS

SALUTE TO YOUTH. I Well organised and thoughtful start - good soloists - rhythmically very accurate. 50 + slight lack of clarity in Basses - but good sound. - All progresses well - with lots of control - 120 - balance not quite correct - 140 - rhythmically poor - SD + lead not together - 163 not quite together. - good sound throughout. Solid finish.

II A bit loud to start - Cantabile good style after a slightly nervous start. (11) Ed Bass snare 21 + triplets gradually slip out of sync. - All guitars again - some nice stylistic touches - 45 Sop + SH - can make more of TTTT Well controlled finish both in terms of dynamic + intonation! -

III Not much to say - all goes very well for you - good transition to 119 - nice dim Bavi!! Good soloists - nice sung lines. 152 - good. 154 + 158 - 2nd team invaluable! - Solid driven finish.

One or two glitches but all in all a class act well done and thank you.
